FROM SILOS TO SYSTEMS

COMMUNITY CONTINUUM OF CARE ECOSYSTEM MAPPING WORKSHEET

Name:

Community:

STEP 1: WHO IS ALREADY IN YOUR CIRCLE?

List organizations, groups, or individuals currently helping children and families in your community.

Sector	**Organizations/People**
Child Welfare	
Schools/Education	
Behavioral Health	
Healthcare	
Faith Community	
Government	
Nonprofits	
Businesses	
Families with Lived Experience	
Other	

STEP 2: WHO IS MISSING?

A continuum of care is often strengthened by the partners who are not yet at the table.

Who is missing from your community conversation?

STEP 3: ASSESS YOUR CURRENT ECOSYSTEM

Rate your community on a scale of 1–5.

Statement	1	2	3	4	5
Organizations know one another well	o	o	o	o	o
Families can easily navigate services	o	o	o	o	o
Youth voice is included in planning	o	o	o	o	o
Faith communities are engaged	o	o	o	o	o
Partners share information effectively	o	o	o	o	o
We have a shared vision for children and families	o	o	o	o	o

STEP 4: IDENTIFY ONE GAP

If you could improve one area of your continuum of care tomorrow, what would it be?

- ☐ Prevention
- ☐ Kinship Support
- ☐ Youth Transitioning to Adulthood
- ☐ Mental Health
- ☐ Housing
- ☐ Workforce Development
- ☐ Family Navigation
- ☐ Data Sharing
- ☐ Community Awareness
- ☐ Other: _____

STEP 5: YOUR FIRST ACTION STEP

What is one thing you could do within the next 30 days?

- [ ] Meet with a potential partner
- [ ] Convene a conversation
- [ ] Listen to families
- [ ] Engage youth voice
- [ ] Map existing resources
- [ ] Form an action team
- [ ] Explore shared outcomes
- [ ] Other: _____

REFLECTION

Who should be in your circle that isn't currently there?

What is one relationship that could create meaningful change in your community?
